## WEDDING TRIAL PRICE LIST *CONGRATULATIONS!*

Your engaged and on the hunt for a hair and makeup artist to make you feel your best for the big day. It is important that your wedding morning runs smoothly and is as stress free as possible. A trial run is invaluable in assuring this is the case.

Hair and makeup trials normally last 2-4 hours and are held at a location of your choice (a small travel fee may apply).

Having a mood board of ideas and looks that you really love helps me to help you. Pinterest is a great tool for this so try to come as prepared as you can. Equally if you have no idea I have over 15 years' experience so you're in safe hands!

Please feel free to bring along a friend or relative for a second opinion.
